11. (C) Responding to reftel, on December 24 Department of Foreign Affairs and International Trade (DFAIT) Global Partnership Program Director General Troy Lulashnyk told us that Canada would be pleased to participate in any non-proliferation discussions with the Ukrainians that the U.S. thinks appropriate, to include Global Partnership and nuclear smuggling (agenda items one and two respectively). He noted that in addition to agenda items one and two, Canada was working closely with the Ukrainians on agenda items 3-7, and 16.
